ADDITION TO GRAZING PERMIT
.....GP 19975

MMW

The grazing permit is held by Bert DeLambert and Christine DeLambert, P. O. Box 607, 650 West 200 North, Vernal, UT 84078.

Special Use Lease No. 241 included eighty (80) acres for purposes related to the production of agricultural purposes.

Action by the State Land Board on March 19, 1981 approved a new Special Use Lease No. 523 which will replace SULA No. 241 and reduce the acreage to thirty (30) acres. This change deletes fifty (50) acres from the SULA NO. 241 and this acreage is to become part of Grazing Permit No. 19975.

The fees on the special use lease and the grazing permit has been paid in full for 1981, so any adjustment in fees should apply effective January 1982, and will be based on the per acre fee applying at that time.

The lands to be included in Grazing Permit No. 19975 include the following:

Township 15 South, Range 23 East, Salt Lake Base & Meridian
Section 32: NE $\frac{1}{4}$ SW $\frac{1}{4}$, SE $\frac{1}{4}$ SE $\frac{1}{4}$ NW $\frac{1}{4}$ Uintah County
Contains 50 acres, more or less.

Upon recommendation of Mr. Wall, the Director approved this Grazing Permit amendment.
